

Directions to Goddard Space Flight Center Rec Center (● on the maps)

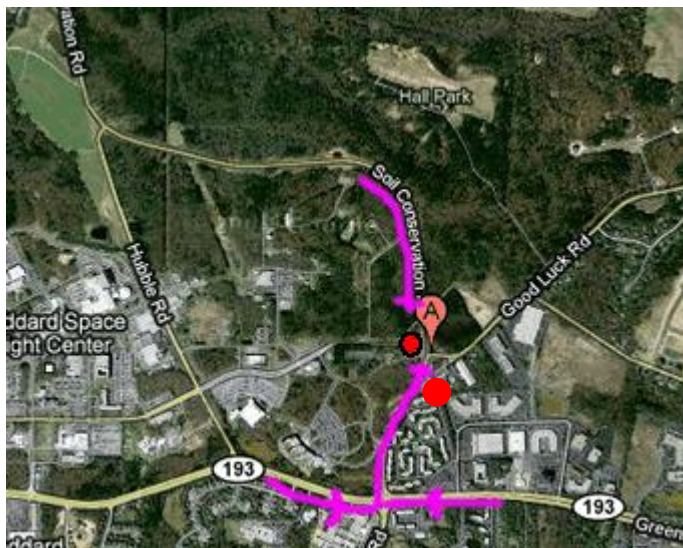

Follow directions below. Many map programs don't have these directions because of recent road construction to re-route Soil Conservation Rd. However, you can input coordinates, 38.996007,-76.835708 or you can try to route to 9998 Good Luck Road, Glenn Dale, MD 20769.

From North:

Take 295 S to East on Powder Mill Road. Just before first traffic light, make right on Soil Conservation Rd. Drive approx. 3 miles. You'll go through 1 traffic light (Hubble Road), proceed approx 1 more mile to 'Y' intersection at next traffic light. This is the intersection with Good Luck Road. Rec Center /back gate entrance is on the right at this intersection.

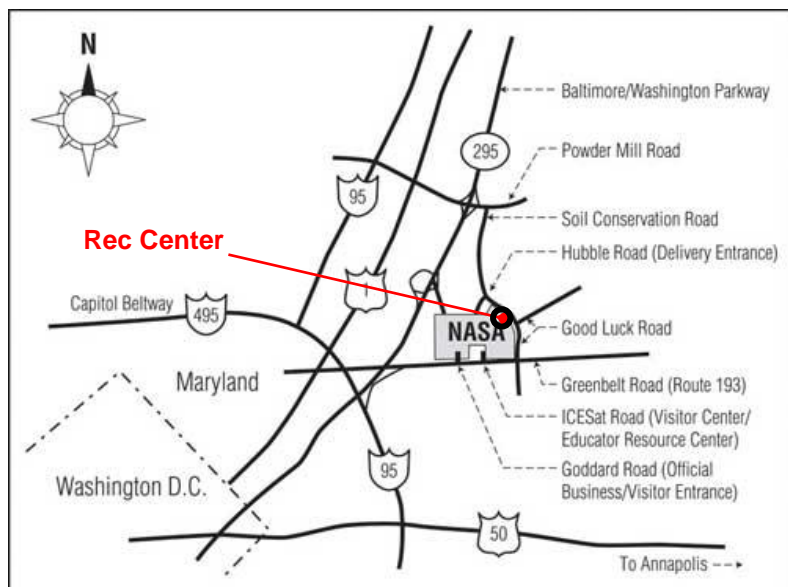

From South:

Take 295 N to East on Greenbelt Rd (Rt 193). Proceed past the 2 entrances into Goddard and make a left on Good Luck Road at traffic light. Proceed approx. 1 mile to 'Y' intersection (Soil Conservation Rd) traffic light and the Rec Center/back gate is on the left at that intersection.
